FAIRNESS (EQUALITY)

Equality means when each individual or group of people are given the SAME resources or opportunities.

EQUITY

- Equity involves giving people what they need in order to make things fair and just. It's not the same as equality, but rather giving more to those who need it proportional to their own circumstances.

DIGNITY

WHAT DO YOU THINK IT MEANS?

WHAT DOES IT MEAN?

SOMETIMES PEOPLE USE THE WORDS DIGNITY AND RESPECT TO MEAN THE SAME THING BUT THEY ARE DIFFERENT. JUST LIKE YOUR RIGHTS ARE INHERENT (YOU ARE BORN WITH THEM) EVERYONE IS BORN WITH DIGNITY. RESPECT IS SOMETHING THAT PEOPLE EARN AND CAN LOSE DEPENDING ON WHAT THEY DO, AND WHAT OTHERS THINK OF THEM.

DIGNITY MEANS THAT EVERYONE HAS EQUAL VALUE AS A HUMAN. NO ONE IS MORE IMPORTANT THAN ANYONE ELSE JUST BECAUSE OF THEIR SKIN COLOUR, THEIR JOB, THEIR GENDER OR THEIR RELIGION.

DIGNITY

DIGNITY IS SOMETHING EVERYONE HAS.

IT MEANS EVERYONE IS TREATED WITH RESPECT.

IT MEANS THAT EVERYONE MATTERS.

IT MEANS THAT IF WE SEE PEOPLE NOT BEING TREATED WITH KINDNESS OR RESPECT WE SHOULD ACT.

WHAT CAN WE DO TO
SHOW WE RESPECT THE
DIGNITY OF OTHERS?
