

Stanley Grove Primary Academy would like to welcome you to our school.

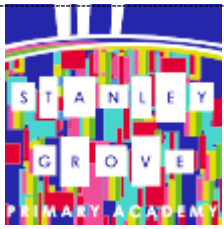

We have put together some information we would like you to know about what it means to be part of a **Rights Respecting** and **Nurture School**.

- We **learn about rights** in our school, to help you understand this we have included a **Pocket Book of Rights** in your information pack. The pocketbook explains all the promises made to children by the UK government when they signed up to the UNCRC.
- We are also a **Nurture school**, this means our school environment supports our wellbeing in being the best we can be.
- As an adult you are a **DUTYBEARER**. That means you must help the **RIGHTS HOLDERS (your child(ren))** get access to their rights.
- Every classroom has a **Classroom Charter** and **the 6 principles of Nurture** displayed that all the pupils and staff in the school have agreed to and know about.
- Our school is a **community**, we all care about and look out for each other.
- It is very important that everybody communicates to each other in a **Rights Respecting** way. This means explaining things carefully, having good manners, not raising our voices and disagreeing respectfully with each other.
- We care about our wellbeing and use **Zones of Regulation** and **Wellbeing rooms** to help us regulate ourselves throughout the day.

Any questions please get in touch with us via the school office.

From the Wellbeing Ambassadors.
